PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

(Attorney Docket No.: 112418.122 (AUR-010US))

Applicant(s): Georges

Serial No.: 10/010,310 Examiner: Not Yet Assigned

Filed: November 13, 2001 Group Art Unit: 1645

For: PROTEIN-PROTEIN INTERACTIONS AND METHODS FOR  
IDENTIFYING INTERACTING PROTEINS AND THE AMINO  
ACID SEQUENCE AT THE SITE OF INTERACTION

Commissioner for Patents  
United States Patent Office  
BOX IDS  
Washington, D.C. 20231

Certificate of Mailing: Date of Deposit: June 18, 2002

I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the Commissioner for Patents, United States Patent Office, BOX IDS, Washington, D.C. 20231 on the date set forth above.

Kenneth R. Maben

Printed name of person mailing correspondence

INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant and their attorney are aware of the following publications and information listed on the attached PTO Form 1449, and in accordance with 37 CFR §1.97 hereby submit these publications for the Examiner's consideration. Please note, however, that references **C18**, Campbell, *Monoclonal Antibody Technology: Laboratory Techniques in Biochemistry and Molecular Biology*, (Elsevier Science Publisher, Amsterdam, The Netherlands), **C25**, Harlow et al., *Antibody – A Laboratory Manual*, (Cold Spring Harbor Laboratories, Cold Spring Harbor, NY), **C29**, Sambrook et al. *Molecular Cloning – A Laboratory Manual* (Cold Spring Harbor Laboratories, Cold Spring Harbor, NY) and **C60**, Ausubel et al., *Current Protocols in Molecular Biology* (Wiley, New York, NY) are not enclosed as they are books and too voluminous to provide with this Statement.

U.S.S.N. 10/010,310  
Georges  
Page 2

This submission does not represent that a search has been made and does not constitute an admission that the listed documents are material to patentability or that the listed documents are prior art. If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits and is therefore submitted as both timely and proper. No fees are believed to be due.

The Commissioner, however, is hereby authorized to charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.

Respectfully submitted,

Date: June 18, 2002

Ann-Louise Kerner, Ph.D.  
Registration No. 33,523  
Attorney for Applicant

Hale and Dorr LLP
